Approved Courses by State:

The following list of approved MAPS courses in alphabetical order by state are provided for reference only. CEU requirements and approved MAPS courses are updated periodically each year. However, we urge participants to check with their state licensing agency directly to verify the most up-to-date CEU requirements. Please feel free to e-mail patti@ozpt.com or call at 800-828-0738 with any questions. If MAPS does not offer a course in your state, and you would like to take an out-of-state course, you can contact your state board or local chapter of the APTA to find out about applying for state approval on your own. MAPS is happy to send you all the documentation you may need to support your application.
