

Charles DiSanto, DPT, OCS, CHT, COMT

Chuck is a seasoned therapist with over 18 years of experience. He became a MAPS instructor in 2016 and co-authored the MAPS Upper Cervical Dysfunction course. Chuck has practiced physical therapy and lectured on various topics nationally and internationally. He is a Certified Orthopaedic Manual Therapist (COMT), and a Board Certified Orthopaedic Clinical Specialist (OCS). He also holds certifications as a Hand Therapist (CHT) and Vestibular Therapist. Chuck graduated from Cleveland State University in 1997 with a Bachelor of Arts Degree in psychology and a Bachelor of Science Degree in health sciences with a certificate in physical therapy. He graduated in 2015 from the University of Montana t-DPT program. Dr. DiSanto currently works as a clinical specialist for the Cleveland Clinic in Cleveland, Ohio focusing on concussion, vestibular impairments, neck and upper quarter dysfunctions with a focus on manual interventions. He is the current chair for the Cleveland Clinic Concussion Group as well as a faculty member of the orthopedic residency program at the Cleveland Clinic where he has authored and teaches several courses on the neck, hand and cervicogenic dizziness. Chuck has specialized knowledge of the vestibular system, the upper quarter and has received training on many various manual therapy methods which combine to provide a very valuable skill set for patient treatment and clinical instruction.
